

Top-up Bachelor's Degree

Tourism and Hotel Management Programme
of the TRIAGON Academy in association with the ITA

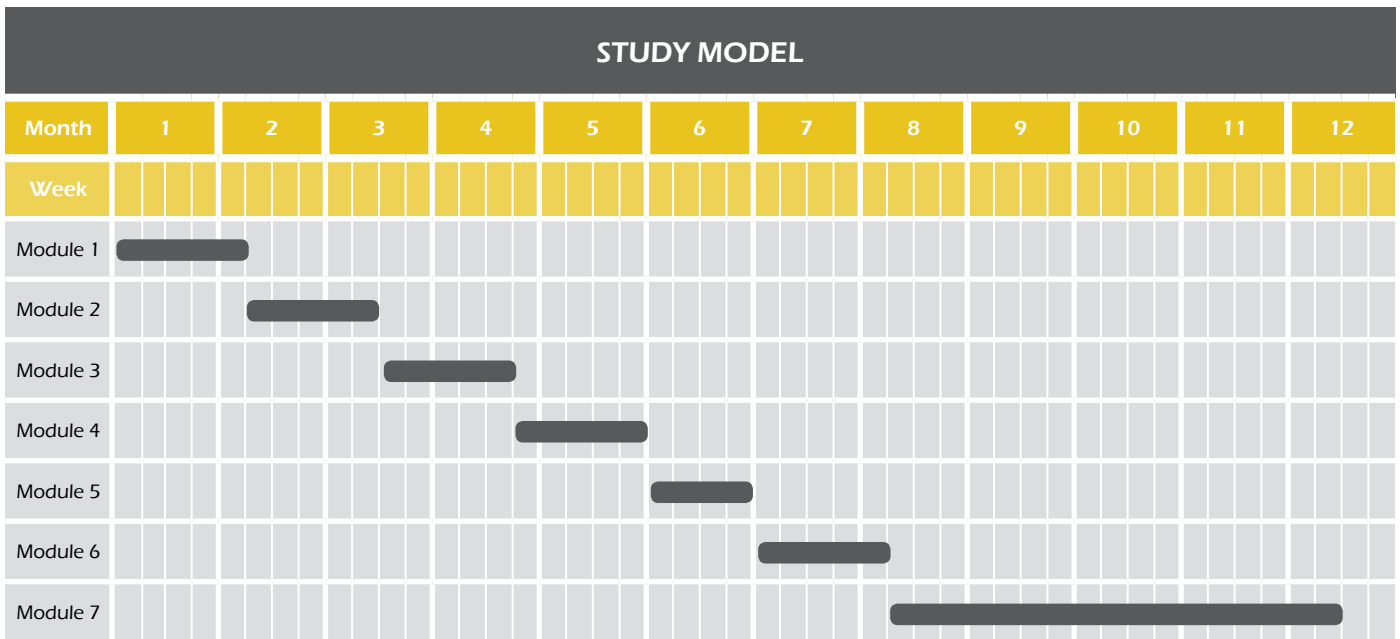

The cooperation between the **International Tourism Academy for advanced studies (ITA)** and the **TRIAGON Academy** gives all graduates of tourism colleges in Austria the chance to gain a **bachelor's degree in tourism and hotel management** more quickly – in only two semesters..

The TRIAGON Academy is part of IUNworld, an **international network** of educational institutions that includes the Seeburg Castle University (Salzburg) and the University of Applied Management (Munich, Berlin etc) among others. Consequently, the top-up bachelor's degree in tourism and hotel management represents an **academic title with full international recognition and accreditation** that entitles the holder to go on and do a master's degree.
